Background:

California Government Code Chapter 749, Statutes of 1996 and Chapter 783, Statutes of 1995 were enacted to help avoid a repeat of the December 1994 Orange County investment fiasco which resulted in investment losses exceeding \$1.7 billion for Orange County and other local government entities. The City's first Chapter 783 quarterly investment report in compliance with this legislation was heard by City Council on May 7, 1996. The City's first Chapter 749 monthly transaction report was presented to City Council on March 18, 1997. AB 2853 was enacted effective September 2004 through the Budget Acts which had suspended these mandates through the elimination of funding. The Legislature encourages local agency officials to continue taking the actions formerly mandated. This report is submitted to City Council which combines both reporting requirements.

CHAPTER 783

Chapter 783 has two main requirements. The first is that the City Council annually considers the City Treasurer's investment policies and any proposed changes or revisions. The City Council first approved the City Treasurer's investment policies in 1978. City Council has approved minor technical modifications in the past including an amendment related to SHRA on March 18, 2003. The City Council approved a revised Investment Policy that is California Government Code compliant on February 24, 2004. The last revision to the City Investment Policy (**Exhibit A**) was approved by the City Council on May 23, 2006.

This report addresses the second main requirement which focuses on prompt and full reporting of all securities held by the City Treasurer and under management of any outside party. Chapter 783 specifies that the quarterly investment report shall:

“...include the type of investment, issuer, date of maturity par and dollar amount invested on all securities, investments and moneys held by the local agency, and shall additionally include a description of any of the local agency's funds, investments, or programs, that are under the management of contracted parties, including lending programs. With respect to all securities held by the local agency, and under management of any outside party that is not also a local agency or the State of California Local Agency Investment Fund, the report shall also include a current market value as of the date of the report, and shall include the source of this same valuation.”

“....State compliance of the portfolio to the statement of investment policy, or manner in which the portfolio is not in compliance.”

“....include a statement denoting the ability of the local agency to meet its pool's expenditure requirements for the next six months, or provide an explanation as to why sufficient money shall, or may, not be available.”

INVESTMENTS HELD

City Investment Pool A is a short-term investment vehicle for the cash balances of all operating funds of the City of Sacramento. Investments purchased for this pool are invested according to the investment guidelines of government code (Sections 53601 & 53635) and may be expanded to include investments deemed prudent by the City Treasurer. **Exhibit C** illustrates the portfolio composition and performance comparison. **Exhibit C-1** is a detailed list of the investments held as of September 30, 2007.

The Ethel MacLeod Hart Fund for Senior Citizens is a bequest to the City of Sacramento to be used for constructing and maintaining a facility available to senior citizens for their use, enjoyment and comfort. The Ethel MacLeod Hart Advisory Committee was appointed by the Mayor to provide advice to City staff and the City Council on the appropriate use of the funds consistent with the terms of the bequest and intent of the donor. The Committee is composed of seven members including individual senior citizens and representatives from senior citizen advocacy and advisory organizations. The Committee advises the City Council on the appropriate use of the funds; City Council authorized the City Treasurer to prudently invest the monies. **Exhibit D** is a detailed list of the investments held as of September 30, 2007.

The Ann Land/Bertha Henschel Public Trust Mutual Fund was set up to collectively manage the investment of proceeds from two separate donations to the City of Sacramento. In 1914 William Land donated \$271,720 to the City for the poor, indigent, and needy citizens in Sacramento in memory of his mother. In 1953 a similar gift of \$278,000 was given by Bertha Henschel and several others. The original bequests are to remain in perpetuity but all income derived from these funds is to be paid to benefit the indigent and needy citizens of Sacramento. The Ann Land-Bertha Henschel Memorial Funds Commission was created and exists pursuant to the provisions of the Sacramento City Code. The Commission consists of eight members appointed by the Mayor and Council. The Commission is responsible for the disbursement of the income from the funds, while the City Treasurer has the authority and responsibility for the investment of the funds. **Exhibit E** is a detailed list of the investments held as of September 30, 2007.

City Funds with a Third Party Trustee consists of proceeds from debt financing and monies for the City's deferred compensation program. Debt financing is generally for specific purposes and has various restrictions imposed by bond covenants. To protect the interests of the concerned parties, the proceeds are held by a third party trustee in various distinct accounts. Bank of New York and U.S. Bank are the trustees currently used by the City of Sacramento. **Exhibit F** is a detailed list of the investments held as of September 30, 2007.

The City has a **Deferred Compensation program** established under the guidelines of the Internal Revenue Code Section 457. Currently the funds are held in a Trust exclusively for the benefit of the contributing employees. The program is administered and the investments managed under the guidance of the International City Management Association Retirement Corporation (ICMA-RC). As of September 30, 2007, City assets held in a trust for the exclusive use of City employees by ICMA-RC total \$251,969,014.87.

Securities Lending is a program wherein investments that we currently own are lent to other parties. This enables us to earn additional income for City Pool A, SHRA and SCERS. This program is managed by the Bank of New York, which also performs the custody services for the City of Sacramento. **Exhibit G** is a summary of the collateral held as of September 30, 2007.

Non-City Funds are either trust funds or non-City entities whose accounting records are maintained by the City. These funds have their operating cash invested in the City's Pool A. Therefore, their investments outstanding as of September 30, 2007 would be their pro-rata share of the investments as shown in **Exhibit C**. These funds and the amount that they have invested in Pool A as of September 30, 2007 are listed in **Exhibit H**.

Sacramento Housing and Redevelopment Agency (SHRA) Funds are federal, local operating or bond proceeds managed by the City Treasurer at the request of SHRA. These funds, and the security lending activity associated with these funds, as well as SHRA Funds held with a third party trustee, are reported to City Council for informational purposes only (**Exhibits I-1 & I-2**, respectively). SHRA will report separately to the appropriate SHRA oversight entity pursuant to Chapter 783, Statutes of 1995. By reporting these funds in this report, the City Treasurer does not warrant or represent compliance with the investment policy adopted by SHRA or that sufficient monies are available to meet SHRA's cash flow needs for the next six months.

The Sacramento City Employees' Retirement System (SCERS) is a closed-end fund for employees who worked for the City of Sacramento prior to 1977. As set by City Charter, a five-member Administration, Investment and Fiscal Management Board (Board) oversees the investments of SCERS. Monthly and quarterly investment reports are presented to this Board by the City Treasurer. These reports are available in the Office of the City Treasurer for review. **Exhibit J** is a detailed list of the investments held as of September 30, 2007.

The George H. Clark Memorial Scholarship was established in 1951 through a will executed by George H. Clark in 1921. The fund provides scholarship benefits that will help defray the expenses incidental to providing a college education for the high school senior student, male or female, who attains the highest degree of success throughout his or her high school experience. The George H. Clark Memorial Scholarship Trust Fund was established in agreement with the Mayor of the City of Sacramento, the Superintendent of the Sacramento City Unified School District, and the Principal of the most populous high school in the City of Sacramento. **Exhibit K** is a detailed list of investments held as of September 30, 2007.

Earl William's Endowment of the United Way of Sacramento is a non-City entity and the City Treasurer provides investment management services with City Council approval by Resolution No. 99-370, approved and adopted by the City Council on June 29, 1999. **Exhibit L-1** is a detailed list of the investments held as of September 30, 2007.

Capitol Area Development Authority (CADA) is an Authority governed in part by a Joint Exercise of Powers Agreement, dated July 1, 1978. Section 10© of that Agreement provides that the Director of Finance of the City is designated as the Controller of the Authority with the powers establish by Government Code § 6505.5 Section 20. The funds

are Federal and local operating revenues managed by the City Treasurer, within Pool A portfolio, at the request of CADA. **Exhibit L-2** is a detailed list of the investments held as of September 30, 2007.

American River Flood Control District (ARFCD) - On August 24, 2004, the City Council approved and authorized the City Treasurer to accept the American River Flood Control District (ARFCD) reserve funds to be invested in the City of Sacramento's Pool A portfolio. The approximate \$3,000,000 deposit will generate roughly \$6,000 annual revenue to the City's General Fund. **Exhibit L-3** is a detailed list of investments held as of September 30, 2007.

The Natomas Basin Conservancy (TNBC) serves as a "Plan Operator" for the Natomas Basin. Its mission is to promote biological conservation along with economic development and continuation of agriculture in the Natomas Basin. TNBC is a non-City entity whose funds are managed by the City Treasurer within the City of Sacramento's Pool A. **Exhibit L-4** is a detailed list of investments held as of September 30, 2007.

Sacramento Public Library Authority (SPLA) is an Authority governed by the Joint Powers Agreement entered into between the City and the County on August 31, 1993. A Memorandum of Understanding was entered into as of December 1, 2004 by and between SPLA and the City of Sacramento. SPLA is in the process of setting up its own computer system for financial reporting purposes. The City Treasurer and the City Finance Director shall remain the Treasurer and Auditor-Controller of SPLA until such time as the Joint Powers Agreement is amended. Funds managed for SPLA are 100% invested in City's Pool A. **Exhibit L-5** is a detailed list of investments held as of September 30, 2007.

COMPLIANCE WITH INVESTMENT POLICY

The City investments held are in compliance with the City Treasurer's previously reviewed, and current Investment Policy except for the following:

- No exceptions

ABILITY TO MEET EXPENDITURES REQUIREMENT

Based on the City Council's adopted City budget, past revenue and expenditure trends and economic forecasts, the City Treasurer projects that the City has sufficient monies on hand, anticipated revenues, and/or investments maturing to meet the City's expenditure requirements through March 31, 2008.

CHAPTER 749

Chapter 749 has two main points. The first point states that the City Council is authorized to annually delegate authority to the City Treasurer to invest or reinvest City funds and to sell or exchange securities purchased for a period of one year. After the delegation, the City Treasurer shall assume full responsibility for the transactions until the delegation of

authority is revoked or the one-year period expires. The attached Resolution delegates this authority. The second point requires the City Treasurer to submit a monthly report of the transactions to the City Council. For informational purposes, we have taken this opportunity to include the transactions of all the monies the City Treasurer invests in lieu of only the required Local Agency funds. The transactions for the month ended September 30, 2007 are attached as follows:

Investment Policy**

I. INTRODUCTION

The purpose of this document is to state the policies and procedures that enhance opportunities for a prudent and systematic investment process within the City of Sacramento Treasurer's office. The City Treasurer is responsible for investing and reporting upon the surplus funds in the City Treasury in accordance with the authority granted by City Charter Section 73, City Council ordinances and resolutions, California Government Code, the Administration, Investment and Fiscal Management Board of the Sacramento City Employees Retirement System (SCERS), the Ann Land/Bertha Henschel Memorial Fund Commission, the Ethel MacLeod Hart Fund Commission, George H. Clark Scholarship Memorial Fund Trustees, Sacramento Housing and Redevelopment Agency Ordinances and resolutions, and other entities as approved by the City Council.

II. INVESTMENT POLICY

The investment policy of the City of Sacramento is established in the Sacramento City Code and authorizes the City Treasurer to make investments deemed wise and prudent. As it pertains to City investment Pool A and public funds invested with the City of Sacramento, the Treasurer with the approval of City Council determined that the investment would be consistent with California Government Code Sections 53600.5 and 53601 compliant. However, when in the opinion of the City Treasurer deviation from these current guidelines is prudent and in the best interest of the City, the City Treasurer shall seek City Council approval to expand the guidelines of the government code program to make such investments.

- A. Investment program goals and objectives, on a portfolio-by-portfolio basis;
- B. Programs applying recognized portfolio management techniques;
- C. Delegation of investment authority limits for staff, and
- D. Investment Committee strategies approved by the City Treasurer.

III. INVESTMENT PROGRAM GOAL

The primary investment goal of the City Treasurer is to earn a maximum rate of return on investments that follow "Prudent Person" guidelines as outlined in California Civil Code Section 2261, California Government Code Section 53600.3 or other investment

management portfolio guidelines that are considered standards for the investment of public and trust funds.

IV. OBJECTIVE**A. SCERS**

- To earn a rate of return from investments at least equal to the actuarial earnings assumption of the SCERS through the prudent implementation of investment policy, guidelines and approved current investment strategy.

B. CITY POOL A OR OTHER CITY PUBLIC INVESTMENT FUNDS

- To earn a rate of return from investment at least equal to the Local Agency Investment Fund of the State of California or other appropriate index through the prudent implementation of investment policy, guidelines and approved current investment strategy. The allowable investments for purchase without previous City Council approval to purchase and deemed prudent by the City Treasurer are shown as *Exhibit A-1* (Allowable Investment Instruments per State Government Code 53601).

C. SACRAMENTO HOUSING AND REDEVELOPMENT AGENCY (SHRA)

▪ Pool D

- For investment of federal funds the primary objective is liquidity and safety. The funds, as identified by SHRA, will be invested in U.S. Government securities and investments. It should be invested prudently in conformance with federal regulations and scheduled to mature to meet the estimated cash needs of SHRA.

- For non-federal funds, to be in conformance with State investment guidelines for local governmental entities, especially redevelopment agencies. To earn a rate of return from investment at least equal to the Local Agency Investment Fund of the State of California or other appropriate index through the prudent implementation of investment policy, guidelines and approved current investment strategy.

covenants and using prudent investment practices in accordance with SHRA's investment guidelines and approved current investment strategy.

D. TRUST FUNDS OR OTHER INVESTMENT FUNDS MANAGED BY THE CITY TREASURER WITH CITY COUNCIL APPROVAL AS OUTLINED IN *Exhibit A-2*.

- To earn a rate of return from investments that maximizes interest income through the prudent implementation of investment policy, guidelines and approved current investment strategy.

V. ADDITIONAL CONSIDERATIONS

A. IMPORTANT FACTORS TO CONSIDER

- Portfolio management shall be conducted in a prudent manner, and
- Reasonable care shall be taken with respect to the preservation of principal of invested capital, and
- The City's investment portfolios shall maximize earnings after consideration that the portfolio is sufficiently liquid to meet all operating requirements.

B. IMPLEMENTATION STRATEGIES AND GUIDELINES

The following strategies should be considered:

- Credit and financial analysis for selection of approved investments and/or issuers;
- Routine reviews of current U.S. economic policy;
- Analysis and interpretation of Federal Reserve policy;
- Interface with Wall Street economists;
- Maintenance and forecast of yield curve patterns;
- Awareness of market conditions and ability to execute orders;
- Routine reviews of investments and funds available to assure maximum return is achieved;
- Routine reports on investment activity consummated and investment results
- Development and maintenance of investment manuals for each investment portfolio managed, and
- Routine reviews of investment policy and strategies at Investment Committee meetings.

C. RECOGNIZED PORTFOLIO MANAGEMENT TECHNIQUES

CITY OF SACRAMENTO

Investment Policy

Page 4

- Rate anticipation swaps on the condition that no more than 10% of any investment portfolio may be in such condition at any given time.
- Arbitrage swaps, which take advantage of additional, yield by switching from the same or an equivalent security in order to take advantage of unusual price discrepancies. For the above to be considered as execution of recognized portfolio management techniques, the following requirements regarding the maturity date of the instrument ultimately purchased are as follows:

For securities that mature within 3 years from date of initial action:

The maturity date of the investment ultimately purchased must be within 30 days prior to or after the maturity date of the security initially owned.

For securities that mature longer than 3 years from date of original action:

The maturity date of the investment ultimately purchased must be within 6 months prior to or after the maturity date of the investment security initially owned.

- Sector and/or time spread swaps, which take advantage of the potential for additional yield by restructuring the portfolio when normal relationships are out of line.
- Reverse Repurchase Agreements or Security Loans to enhance investment income of the portfolio.
- Interfund Purchase – Sales are only permitted to maximize the investment income of the affected managed funds, whenever the internal handling costs would be exorbitant or a temporary price distortion would occur in the market place as a result of the restricted marketability of the investment vehicle to be sold. Such transactions shall be made in compliance with the adopted Interfund Investment Transfer Procedures.

D. BOOKKEEPING GAINS (LOSSES)

- Net gain (loss) limits
- Bookkeeping losses for investment portfolio management techniques are permitted so long as the ultimate interest income earned from an alternative investment exceeds the bookkeeping loss. Bookkeeping gains (losses) not to exceed \$10,000 on a single sale are within the authority of the Investment and Operations Manager. Any bookkeeping gains (losses) to be incurred in excess of \$10,000 in a single sale must first be approved by the Assistant City Treasurer, with a maximum limit on net-booked gains (losses) of \$100,000 per month without further approval of the City Treasurer. The

CITY OF SACRAMENTO

Investment Policy

Page 5

intent of the trading operation is to enhance investment income and maintain a net trading benefit position.

- Net trading benefit position is defined as the additional net investment income that will be earned as a result of the execution of portfolio management techniques. The criteria to measure such benefits will be to calculate the net investment income that would have been earned from an authorized investment security had the portfolio management technique not been executed, and comparing this amount to the net investment income that will be earned as a result of execution of the portfolio management technique.

E. QUALIFICATION OF BROKER, DEALERS, AND FINANCIAL INSTITUTIONS:

- Authorized broker/dealers and financial institutions will be selected and evaluated pursuant to the City Treasurer's Broker/Dealer Selection Policy. The procedure considers such issues as services provided, credit characteristics and financial history of the firm, and the evaluation of the "Success/Opportunity Ratio" throughout the period in which the firm is transacting business with the City.

VI. DELEGATION OF INVESTMENT AUTHORITY

A. The City Treasurer delegates investment authority to the following:

- Assistant City Treasurer
- Chief Investment Officer
- Investment and Operations Manager
- Investment Officer(s)

B. Investment transactions in excess of trading limits are to be directed and approved by the City Treasurer.

C. Trading limits are established for transactions not covered in Section VI-B, above.

Trading limits authorize investment transactions as follows:

- City Treasurer:
10% of the investment portfolio(s) at any time, with additional authority as justified by the occasion. A report will be made to the appropriate entity when more than 10% of the portfolio is traded at one time.
- Assistant City Treasurer

7.5% of the investment portfolio(s) at any time without additional approval of the City Treasurer.

- Chief Investment Officer:

- Investment and Operations Manager:

- Senior Investment Officer:

- Investment Officer II:

- Trading limit guidelines and definitions:
The transaction limits (except Repo) apply to one side of a trade. Example: a \$2MM security is sold, a \$2MM security may be purchased. This should not be construed to mean that the authority allows \$4MM in purchases.
- Trading limits permit investment staff limited discretion for investment selections that may not have been approved in advance by the City Treasurer or the appropriate regulatory body.
- Transactions falling into the trading limit category should be reported to the City Treasurer within 48 hours and at the next scheduled Investment Committee meeting.
- Trading limits do not authorize over-trading, churning or chaining investment activity.
