Description/Analysis

Issue: On August 23, 2007, Council approved a purchase agreement with K. Hovnanian Forecast Homes for the design of the Del Paso widening project at cost not to exceed \$319,500. The appropriate amount was to have been paid to K. Hovnanian on evidence of the amount paid to Wood Rodgers, Inc. for the design. K. Hovnanian now requests that the City assume the obligation for payment to Wood Rodgers. The appropriate amount is \$319,500. Approval will authorize payment by the City to Wood Rodgers, Inc. in the amount of \$319,500.

Policy Considerations: Approval is consistent with the City's Strategic Plan 3-Year Goal to achieve sustainability and enhance livability.

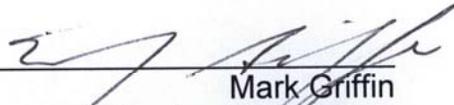

Environmental Considerations: Under California Environmental Quality Act Guidelines, the recommended actions are administrative and therefore do not constitute a project and are exempt from review.

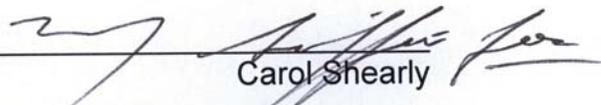

Committee/Commission Action: None

Rationale for Recommendation: The actions are recommended to proceed in the most expeditious manner possible on essential improvements to Del Paso Road.

Financial Considerations: None. Appropriations for payment were established on August 21, 2007, resolution 2007-616.

Emerging Small Business Development (ESBD): Wood Rodgers, Inc. is not currently ESBD certified.
