Subject: Yes on the Railyards Project,

As a member of the Sacramento Builders' Exchange, I support the passage of the Railyards Project. The Railyards project has been sufficiently vetted and needs approval in time to apply for state infrastructure funds. I ask that you fully support this project and vote YES for more construction jobs for Sacramento companies. For more info on the Sacramento Builders' Exchange YES position, contact the SBE Governmental Affairs Coordinator Joshua Wood at (916) 442-8991.

Subject: Yes on the Railyards Project,

As a member of the Sacramento Builders' Exchange, I support the passage of the Railyards Project. The Railyards project has been sufficiently vetted and needs approval in time to apply for state infrastructure funds. I ask that you fully support this project and vote YES for more construction jobs for Sacramento companies. For more info on the Sacramento Builders' Exchange YES position, contact the SBE Governmental Affairs Coordinator Joshua Wood at (916) 442-8991.
