CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fairness which every candidate for public office in the City of Sacramento has an ethical obligation to observe and uphold, in order that, after vigorously contested, but fairly conducted campaigns, the integrity of the electoral process has been preserved.

Therefore:

(1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents which merit such criticism.

(2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or her or his personal or family life.

(3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on race, sex, religion, national origin, physical health, status, or age.

(4) I SHALL NOT USE OR PERMIT any dishonest or unethical practices which

tend to corrupt or undermine our American system of free elections, or which hamper or prevent the full and free expression of the will of the voters, including acts intended to hinder or prevent any eligible person from registering to vote or voting.

(5) I SHALL provide to my opponents, at the addresses on their Code of Fair Campaign Practices form, and to the City Clerk for public inspection, any campaign advertising or communication which directly names or refers to any of my opponents at least eight (8) days prior to dissemination of the advertising or communication by me or my controlled committee.

(6) I SHALL NOT COERCE or permit coercion of my employees to make monetary or non-monetary campaign contributions to me or any other candidate.

(7) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE any support from any individual or group which resorts, on behalf or my candidacy or in opposition to any opponent, to the methods and tactics which I condemn. I shall promptly redress and accept responsibility for a violation of any provision of this Code or the laws governing elections by any subordinate or by my controlled committee.

(8) I SHALL DEFEND AND UPHOLD the right of every qualified voter to full and equal participation in the electoral process.

(9) I SHALL clearly identify myself or my controlled committee as the sender of any and all campaign advertising to be mailed.

I, the undersigned, candidate for election to public office in the City of Sacramento or treasurer or chairman of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge to conduct my campaign in accordance with the above principles and practices.

SECTION 2:

1. Section 2.13.050 (D) of Chapter 2.13 of the City Code is amended as follows:

D. Contributions to Committees. No person shall make to any committee which contributes to any candidate for city elective office or makes expenditures for or against any candidate for city elective office, and no such committee shall accept from any person a contribution or contributions totaling more than nine hundred dollars (\$900.00) in a calendar year; and no large political committee shall make to any committee which contributes to any candidate for city elective office or makes expenditures for or against any candidate for city elective office, and no such committee shall accept from any large political committee a contribution or contributions totaling more than three thousand five hundred dollars (\$3,500.00) in a calendar year. The provisions of this subsection shall not apply to contributions to candidates and candidate-controlled committees, which shall be subject to the limits set forth in subsections A and B of this section.

1. Exception: A committee may solicit and accept contributions in excess of the limits established by subsection 1 above if the committee makes expenditures for any lawful purpose other than supporting or opposing candidates for City elective office, provided that:

a) funds received from contributions in excess of the limits set forth in subsection 1 above are used only for lawful purposes other than supporting or opposing candidates for City elective office or making contributions to candidates for City elective office; and

b) the committee shall establish a separate bank account to be used for making expenditures to support or oppose candidates for City elective office or for making contributions to candidates for City elective office. All expenditures to support or oppose candidates for City elective office and all contributions made by the committee to candidates for City elective office must be made with funds from this account. A committee may not deposit into this account any contributions that were solicited or accepted in excess of the limitations established by subsection 1 above.

2. Except as Paragraph D is amended by section 1 above, Section 2.13.050 shall remain unchanged and in full force and effect.

SECTION 3:

1. Section 2.13.070 (B) of Chapter 2.13 of the City Code is amended as follows:

B. Intra-Candidate Transfer of Funds: Except as otherwise prohibited by state law, a candidate for city elective office, including an incumbent running for the same or different city elective office, may transfer funds from any other committee controlled by the candidate to the candidate's committee for election to city elective office, provided all of the following requirements are met:

1. The candidate for city elective office establishes a new campaign account into which funds will be transferred. The candidate may not re-designate an existing campaign account.

2. The contributions transferred to the candidate's committee for election to a city elective office are attributed to specific contributors to the campaign contribution account from which they were transferred. Contributions shall be allocated and attributed to individual contributors on a "first in, first out" or "last in, first out" basis. For purposes of this section, the terms "first in, first out" and "last in, first out" shall have the following meanings:

a. "First in, first out" means the campaign funds being transferred are attributed to the transferring committee's contributors in chronological order beginning with the earliest of its contributors or, if there has been a prior transfer, beginning with the earliest contributor for which unattributed contributions remain.

b. "Last in, first out" means that campaign funds being transferred are attributed to the transferring committee's contributors in reverse chronological order beginning with the most recent of its contributors or, if there has been a prior transfer, beginning with the most recent contributor for which unattributed contributions remain.

3. The contributions transferred to the candidate's committee for election to a city elective office, when aggregated with all other contributions from, and transfers attributable to, the same contributor do not exceed the amount that the contributor could have contributed to the candidate, or the controlled committee of the candidate, pursuant to Section 2.13.050.

2. Except as Paragraph B is amended by section 1 above, the provisions of Section 2.13.0070 shall remain unchanged and in full force and effect.
