Description/Analysis

Issue: Jim and Judy Harnish are the founders of Eats & Sweets, Incorporated. In 2001, after originally selling only gourmet handmade candies, they leased a small store front in mid-town to expand their business to include a variety of fresh soups, salads and sandwiches. They named the new business Fog Mountain Café. When their lease expired in 2005 they decided to suspend their thriving operations until they could locate a larger more suitable location to allow their business to grow. At 1000 I Street, the Harnishes would like to re-open Fog Mountain Café. Planned hours of operation will be Monday through Friday 7:00 a.m. to 6:00 p.m. The café will extend its hours for special events in Cesar Chavez Park and during City Council meetings.

Policy Considerations: This recommendation is consistent with the City's strategic plan and the goal of the City Council to expand economic development throughout the City.

Environmental Considerations: This project is exempt from the California Environmental Quality Act (CEQA) under Section 15301, "Operation of existing public structures or facilities involving no expansion of use".

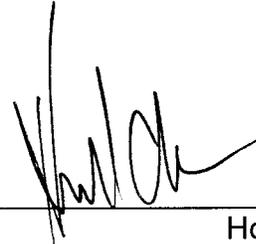

Rationale for Recommendation: City Code 3.68.110 allows the City to lease City property without bidding where a firm and complete written offer at or above market value is received by the City and the City Council finds that leasing the property without bidding is in the best interest of the City. Eats & Sweets, Incorporated submitted a firm and complete written offer to lease wherein the rent specified is at or above the fair market rate for comparable property as determined by the City's real property supervisor. At 1000 I Street, Fog Mountain Café promises to create its same high quality unique soups, sandwiches and candies to serve the neighboring residential and business communities.

Financial Considerations: Based on a market rate of \$2.10 per square foot (the prior tenant paid \$1.80 per square foot), rent payments will begin at \$4,326 per month and increase 3% annually. Total rent collected during the initial 5-year term will be \$275,606. Rent for the extended terms will be reevaluated at market rate, but in no circumstance will the revised rent be lower than the Initial or prior Extended Term.

The City will contribute a one-time tenant improvement allowance of \$53,100 (\$26/sqft) that will be used for standard site improvements. These improvements will remain as property of the City on the date the tenant moves from the premises. The amount of this allowance is consistent to those provided through similar lease agreements with new tenants.
