AUTHORIZING THE PLANNING DIRECTOR TO AMEND THE JOBS-HOUSING BALANCE GRANT CONTRACT WITH THE STATE TO TRANSFER EXCESS FUNDS FROM THE 65TH STREET STREETScape PROJECT (PN: TU96) TO DEL PASO BOULEVARD STREETLIGHTING PROJECT (PN: SI51)

BACKGROUND

- A. On March 30, 2004, the City Council approved using the State Jobs-Housing Balance Incentive Grant funds for the 65th Street Streetscape Improvements to enhance pedestrian movement and enhance the 65th Street Transit Village. This project was included as part of the contract with state for expenditure of the grant funds. The project was budgeted at \$678,000. After completing initial project scoping and initial design work, the project is estimated to cost less than originally programmed, at approximately \$400,000.

This project meets the goal and intent by promoting infill development and neighborhood revitalization, and meets the intent and eligibility of the State Jobs-Housing Balance Grant funds.
