Department: Utilities Department

Division: Field Services Division

Organization No: 3341

Summary:

Attached is a tabulation of sealed bids received by the City Clerk for furnishing supplies in accordance with the specifications used in the bidding process. Staff recommends that the City Council adopt specifications and accept the lowest responsible bids for the contracts resulting from Invitation for Bid B051181019, for Plumbing Supplies used by the Field Services Division of the Utilities Department. Award is recommended to: Camellia Valley Supply, in an amount not to exceed \$475,000; Groeniger & Company, in an amount not to exceed \$155,000; and Ferguson Enterprises, in an amount not to exceed \$120,000 per contract year.

Committee/Commission Action: None.

Background Information:

These plumbing supplies are being purchased for inventory by the Field Services Division of the Utilities Department. Staff recommends that contracts be awarded to Camellia Valley Supply, 8732 Fruitridge Road, Sacramento, CA, Groeniger & Company,

Camellia Valley Supply, 8732 Fruitridge Road, Sacramento, CA, Groeniger & Company, 7601 – 14th Avenue, Sacramento, CA, and Ferguson Enterprises, 8210 Ferguson Avenue, Sacramento, CA, for the items included in the various pricing groups as set forth in the following summary:

Bidders	Contract Group	Award Amount
Camellia Valley Supply, Inc.	Groups II, III, IV, V, VII, VIII, IX, X, XIV	\$475,000
Groeniger & Company	Groups I, VI, XII, XIII	\$155,000
Ferguson Enterprises, Inc.	Group XI	\$120,000
Combined Total Amount – All Contracts		\$750,000 (Annual)

Bid totals shown on the attached tabulation sheet (Attachment 1) represent costs for various plumbing supplies that were used for evaluation purposes only. They do not necessarily represent the actual amounts to be expended in each category or group during the contract year, as actual usage of the various items is difficult to estimate in advance. Basing usage estimates on past activity, staff recommends that contracts be awarded for the groups shown above, in amounts as follows: Camellia Valley Supply (\$475,000), Groeniger & Company (\$155,000), and Ferguson Enterprises (\$120,000), for a total aggregate amount not to exceed \$750,000 per contract year during these potential three-year contracts.

Financial Considerations:

These purchases are initially charged to the Field Services Division's general inventory account, and are debited to the Department's various operating budgets for plumbing supplies as the items are disbursed.

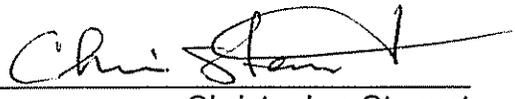

Environmental Considerations: None

Policy Considerations:

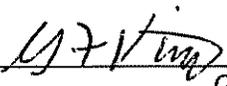

This recommendation is consistent with the requirements for competitive bidding as detailed in Chapter 3.56 of the Sacramento City Code.

Emerging Small Business Development (ESBD):

Invitation for Bids (IFB) were sent to fiftyone (51) vendors, fourteen (14) of which were certified as Emerging or Small Business Enterprises (EBE/SBE) at the time the bids were prepared and mailed. Of the five bid responses received, none were from EBE/SBE firms.
