Summary:

The Federal Emergency Management Agency (FEMA) provides funding to federal Urban Search and Rescue Teams when deployed to disasters and national security events. Two (2) members of the California Task Force Seven (CA TF-7) Urban Search and Rescue (US&R) Team were deployed as part of the Incident Support Team (IST) for the response to Hurricane Dennis. The two award amendments provide funding to cover the costs associated with the deployment of the individuals. The amendments must be signed and returned to FEMA so that the funds will be obligated for reimbursement to the City of Sacramento.

Committee/Commission Action: None.

Background Information:

The City of Sacramento Fire Department is the sponsoring agency for CA TF-7 US&R team. At times, individual members from CA TF-7 US&R team are activated to provide overhead support to natural disasters and national security special events. On July 8,

2005, two (2) members of CA TF-7 were activated by FEMA for response to Hurricane Dennis. Costs incurred by CA TF-7 during the activation are reimbursed by FEMA. For each activation an award amendment is issued by FEMA to obligate the funds to provide reimbursement to the sponsoring agency. FEMA has issued two amendments for deployments by CA TF-7 to Hurricane Dennis. We are requesting authorization of the City Manager to sign the two amendments to the Assistance Award agreement.

Financial Considerations:

As the sponsoring agency, the City of Sacramento incurs costs related to the activation of CA TF-7 US&R team. FEMA reimburses expenses directly related to the activation of the team. This agreement allows FEMA to obligate the funds for payment to the City of Sacramento Fire Department.

Environmental Considerations: None.

Policy Considerations:

Acceptance of the federal US&R funds is consistent with City Council actions relative to state and federal grant awards. This report also supports the City Council's goal of establishing and strengthening community and regional partnerships to enhance the quality of life.

Emerging Small Business Development (ESBD):

No goods or services are being procured as a result of this report.
