

RESOLUTION NO. 2005-665

Adopted by the Sacramento City Council

September 13, 2005

ESTABLISHING ANNEXATION NO. 12 TO THE NEIGHBORHOOD PARK MAINTENANCE COMMUNITY FACILITIES DISTRICT NO. 2002- 02; PROVIDING FOR THE LEVY OF A SPECIAL TAX TO FINANCE MAINTENANCE SERVICES; AND CALLING A SPECIAL ELECTION ON THE QUESTION OF LEVYING THE SPECIAL TAX AND ESTABLISHING AN APPROPRIATIONS LIMIT

BACKGROUND:

- A.** The City Council has previously established the City of Sacramento Neighborhood Park Maintenance Community Facilities District No. 2002-02 (the District) in accordance with the Mello-Roos Community Facilities Act of 1982 (Gov. Code, 53311-53368.3) (the "Act") to finance maintenance and related services within the District (the "Services") in accordance with the Act. Generally described in **Exhibit A** to this resolution, the Services are necessary to meet increased demands placed upon the City as a result of development within the District. The cost of the Services includes expenses incidental to provision of the Services (including planning costs); costs of environmental evaluations; costs to establish the District and Annexation No. 12, to determine the amount of any taxes, and to collect the taxes; and costs otherwise incurred in order to carry out the authorized purposes of the District.
- B.** On August 9, 2005, the City Council adopted Resolution No. 2005-010 (the "Resolution of Intention") declaring its intention to annex territory to the District and designating that territory as "Neighborhood Park Maintenance Community Facilities District No. 2002-02, Annexation No. 12 (Annexation No. 12).
- C.** The Resolution of Intention fixed a time and place for a public hearing at which the City Council would consider (1) the addition of Annexation No. 12 to the District; (2) the proposed rate, method of apportionment, and manner of collection of a special tax to finance providing the Services for Annexation No. 12; and (3) all other matters set forth in the Resolution of Intention.
- D.** A report on the proposal to add Annexation No. 12 to the District was prepared by the City's Director of Parks and Recreation in accordance with the Resolution of Intention. The City Council has reviewed the report, which is incorporated into this resolution and made a part of the record of the public hearing on the Resolution of Intention.
- E.** In accordance with the Resolution of Intention, the City Council convened a public hearing at 2:00 p.m. on Tuesday, September 13, 2005, in the City Council's regular

meeting place: City Council Chambers, Sacramento City Hall, 915 I Street, first floor, Sacramento, California. At the hearing, the City Council considered the addition of Annexation No. 12 to the District; the proposed rate, method of apportionment, and manner of collection of the special tax; and all other matters set forth in the Resolution of Intention. All persons interested in these matters, including all taxpayers, property owners, and registered voters within the boundaries of Annexation No. 12, were given an opportunity to appear and be heard, and the City Council heard and considered the testimony of all such interested persons for or against following: the addition of Annexation No. 12 to the District, the levy of the special tax, the extent of the territory to be annexed, the types of Services proposed to be provided, and any other matters set forth in the Resolution of Intention. The special tax was not precluded by a majority protest under Government Code section 53339.6, and at the conclusion of the hearing the City Council was fully advised in the premises and was authorized to proceed as provided in this resolution.

- F. On the basis of all the foregoing, the City Council has determined to call an election within Annexation No. 12 to authorize the following: (1) the levy of a special tax on real property within Annexation No. 12 to pay for the Services proposed to be provided for Annexation No. 12 (the rate, method of apportionment, and manner of collection of the tax are more particularly described in **Exhibit B** to this resolution); and (2) the establishment of an appropriations limit for Annexation No. 12.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. The City Council finds and determines that the recitals set forth above are true.

Section 2. The City Council approves the Resolution of Intention and confirms all of its determinations and findings. The rate, method of apportionment, and manner of collection of the special tax for Annexation No. 12 are set forth in **Exhibit B** to this resolution. Upon recordation of a notice of special tax lien in accordance with Streets and Highways Code section 3114.5, a continuing lien to secure each levy of the special tax will attach to all nonexempt real property in Annexation No. 12. The lien will continue in effect until the collection of the special tax ceases or the lien is canceled in accordance with law.

Section 3. The City Council determines and finds that written protests against the establishment of Annexation No. 12, the levy of the special tax, the extent of Annexation No. 12, and the types of Services to be provided do not constitute a majority protest under the Act. Accordingly, the City Council overrules all protests to the establishment of Annexation No. 12, to the levy of the special tax, the extent of Annexation No. 12, the types of Services to be provided, or the establishment of an appropriations limit for Annexation No. 12.

Section 4. The City Council determines and finds that all of its prior proceedings with respect to the addition of Annexation No. 12 to the District are valid and conform to the requirements of the Act. Accordingly, the City Council determines and orders, consistent with the Resolution of Intention and in accordance with the Act, that the territory comprised by Annexation No. 12 be added to the District and that the boundaries of Annexation No. 12 are as set forth in **Exhibit C** to this resolution.

Section 5. Except when funds are otherwise available, a special tax will be levied annually on real property within Annexation No. 12 in an amount sufficient to do the following, as appropriate: (a) pay for the Services; (b) repay funds advanced by the City for Annexation No. 12; and (c) repay advances of funds or reimburse the value or cost (whichever is less) of work provided in kind for Annexation No. 12 under agreements between the City and the persons or entities advancing the funds or providing the work (these agreements will not constitute debts or liabilities of the City). The special tax will be secured by recordation of a continuing lien against all nonexempt property in Annexation No. 12. **Exhibit B** to this resolution sets forth the rate, method of apportionment, and manner of collection of the special tax in sufficient detail to allow each landowner or resident within Annexation No. 12 to estimate the maximum amount that the landowner or resident will have to pay.

Section 6. In accordance with Government Code section 53317.3, the City Council intends to levy the special tax on property that is not otherwise exempt from the special tax and is acquired by a public entity through a negotiated transaction or by gift or devise.

Section 7. In accordance with Government Code section 53317.5, the City Council intends to treat the special tax levied against property that is acquired by a public entity through eminent domain proceedings as if it were a special annual assessment.

Section 8. In accordance with Government Code section 53340.1, the City Council intends to levy the special tax on the leasehold or possessory interests in property owned by a public agency and otherwise exempt from the special tax.

Section 9. A special election is ordered to be held, in accordance with the Act, applicable law, and this resolution, on **Tuesday, October 4, 2005**, in the territory comprised by Annexation No. 12. At the special election, the question of levying the special tax on real property within Annexation No. 12 and establishing an appropriations limit (as defined by article XIII B, section 8, subdivision (h) of the California Constitution) in the amount of **\$15,000** per fiscal year for Annexation No. 12 will be submitted to the landowners within Annexation No. 12 (who are the electors and persons qualified to vote at the special election).

Section 10. The City Clerk is designated as the official to conduct the special election in accordance with the Act, applicable law, and the following provisions:

- (a) The special election will be held and conducted, the votes canvassed and the returns made, and the results ascertained and determined, all as provided in this section 10. In all particulars not prescribed by this resolution, the special election will be held and conducted and the votes received and canvassed in the manner provided by law for holding of general elections in the City and consistent with the Act.
- (b) All landowners within Annexation No. 12 on the date of the special election will be qualified to vote on the proposition submitted at the special election.
- (c) The special election will be conducted as a mailed-ballot election in accordance with Elections Code sections 4000, 4002, 4003, 4004, and 4108 and the City's prior proceedings under those sections, and there will be no polling places for the special election. The City Clerk is directed to deliver all ballots to the qualified electors, and all voted ballots must be received at the City Clerk's office **by 5:00 p.m. on the election day** to be counted. If, however, all qualified electors have voted before that date and time, then the election will be closed.
- (d) To vote for levying the special tax and establishing the appropriations limit, a voter must mark a cross (+) in the blank space opposite the word "YES" on the ballot to the right of those proposition. To vote against levying the special tax and establishing the appropriations limit, a voter must mark a cross (+) in the blank space opposite the word "NO" on the ballot to the right of the proposition. A cross (+) may be marked with either pen or pencil.
- (e) The City Clerk shall commence the canvass of the returns of the special election at **5:00 p.m. on Tuesday, October 4, 2005**, at the City Clerk's office, Historic Sacramento City Hall, 915 I Street, first floor, Sacramento, California, and at the conclusion of the canvass shall determine the results of the special election. If all the qualified voters have voted before that date and time, then the City Clerk shall close the special election and proceed to canvass the returns and determine the results.
- (f) The City Council shall meet at its regular meeting on **Tuesday, October 11, 2005, at 2:00 p.m.** at its usual meeting place and declare the results of the special election, and shall cause to be spread upon its minutes a statement of the results of the special election as ascertained by the canvass.

Section 11. If two-thirds of the votes cast upon the question of levying the special tax and establishing the appropriations limit are cast in favor of levying the special tax and establishing the appropriations limit, as determined by the City Council after reviewing the canvass of the returns of the election, then the City Council may levy the special tax within the territory of Annexation No. 12 in accordance with the Act, in the amount and for the purposes specified in this resolution, and the appropriations limit will be established for Annexation No. 12, as defined by article XIIB, section 8, subdivision (h) of the California Constitution. The special tax may be levied only at the rate and may be

apportioned only in the manner specified in this resolution, subject to the Act, except that the special tax may be levied at a rate lower than the rate specified in **Exhibit B**. The special tax may be levied only so long as it is needed to pay for the Services (including the repayment of funds advanced for Annexation No. 12).

Section 12. The Administrative Analyst, Special Districts, Development Services Department of the City, 1231 I Street, Sacramento, California 95814 (telephone 916-808-7967) will be responsible for preparing annually a current roll of special tax levy obligations by Sacramento County Assessor's parcel numbers, and will be responsible for estimating future special tax levies pursuant to Government Code section 53340.1.

3. Duration of the Special Tax

4. Assignment of Maximum Annual Special Tax

A. Classification of Parcels. By June 30 of each Fiscal Year, using the Definitions above, the parcel records of the Assessor's Secured Tax Roll as of January 1, and other City development approval records, the City shall classify each Parcel as a Tax-Exempt Parcel or Taxable Parcel. Only Taxable Parcels are subject to the Special Tax according to the formula detailed below.

It shall be the burden of the taxpayer to timely correct any errors in the determination of the Parcels subject to the Special Tax and their Special Tax assignments.

B. Assignment of Maximum Annual Special Tax.

By August 1 of each Fiscal Year, using the Definitions from **Section 2** and the Maximum Annual Special Tax Rates from **Attachment 1**, the Finance Director shall assign the Maximum Annual Special Taxes to Parcels as follows:

- 1) **Developed Parcels:** Parcels shall be assigned a Maximum Annual Special Tax using the following steps. The Maximum Annual Special Tax Rate is increased by the Tax Escalation Factor in each Fiscal Year after the Base Fiscal Year.
 - a. **Single Family Residential Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in **Attachment 1** for Single Family Residential Parcels by the number of Residential Units assigned to the Parcel.
 - b. **Duplex/Half-Plex/Tri-plex Residential Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in **Attachment 1** for Duplex/Half-Plex/Tri-plex Residential Parcels by the number of Residential Units assigned to the Parcel.
 - c. **Multi-Family Residential Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in **Attachment 1** for Multi-Family Residential Parcels by the number of Residential Units assigned to the Parcel.
 - d. **Condominium/Townhouse Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in **Attachment 1** for Condominium/Townhouse Parcels by the number of Residential Units assigned to the Parcel.
 - e. **Mixed Use Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in **Attachment 1** for Mixed Use Parcels by the number of Residential Units assigned to the Parcel.
 - f. **Mobile Home Park Parcels.** The Maximum Annual Special Tax is calculated by multiplying the Maximum Annual Special Tax Rate in **Attachment 1** for Mobile Home Park Parcels by the number of Residential Units assigned to the Parcel.
- 2) **Annexation Parcels:** The City will require the periodic annexation of Parcels to the CFD. When Parcels are annexed to the CFD, the City will first determine if they are Taxable or Tax-Exempt, using the Definitions in **Section 2**. For Developed Parcels, the City will assign the number of Residential Units for each Parcel based on Assessor Parcel records, building permit or special use permit records, recorded final subdivision map, or other relevant information obtained by the City. The City then shall assign a Maximum Annual Special Tax Rate to Developed Parcels using the Definitions in **Section 2** and **Attachment 1** (applying the Tax Escalation Factor as

permitted) and calculate the Maximum Annual Special Tax following the steps in **Section 4.B(1)**.

- 3) **Conversion of a Tax-Exempt Parcel to a Taxable Parcel**: If a Public Parcel is not needed for public use and is converted to private residential use, it shall become subject to the Special Tax. A Maximum Annual Special Tax Rate will be assigned using the Definitions in **Section 2** and **Attachment 1** (applying the Tax Escalation Factor as permitted) and calculate the Maximum Annual Special Tax following the steps in **Section 4.B(1)**.
- 4) **Taxable Parcels Acquired by a Public Agency**: A Taxable Parcel that is acquired by a public agency after the CFD is formed will be re-classified as Tax-Exempt provided it is determined by the City in the exercise of its sole discretion, that it is no longer used for residential purposes.

5. Calculating Annual Special Taxes

The City shall assign the Maximum Annual Special Tax per Taxable Parcel based on **Attachment 1** as adjusted annually by the Tax Escalation Factor.

The City shall prepare the Tax Collection Schedule listing the Special Tax levy for each Taxable Parcel and send it to the County Auditor-Controller requesting that it be placed on the general, secured property tax roll for that Fiscal Year. The Tax Collection Schedule shall not be sent later than the date required by the County Auditor-Controller for such inclusion.

The City shall make every effort to correctly calculate the Special Tax for each Parcel. It shall be the burden of the taxpayer to timely prove any alleged errors in the determination of the Parcels subject to the Special Tax and their Special Tax assignments.

6. Records Maintained for the CFD

As development takes place within the CFD, the City will maintain a file containing the following information regarding each Parcel:

- The current Parcel Number;
- Whether a final subdivision map has been recorded or whether a building permit or special use permit for residential use has been issued; and
- The number of residential units assigned to that Parcel.

The file containing the information listed above will be available for public inspection.

7. Appeals and Interpretation Procedure

Any taxpayer may contest the levy of the Special Tax by filing a written notice of appeal, setting forth with specificity the grounds for appeal, with the City

Manager. Any such notice must be filed within thirty (30) days following the formation of the CFD, or annexation of the property that is the subject of the appeal to the CFD; and failure to do so within the time period specified herein constitutes a bar to any such appeal. Grounds for appeal are limited to the following: (i) clerical errors in assigning an amount of tax to a parcel and (ii) an error in defining the use of a parcel or its classification. The City Manager, or designee, shall promptly review the appeal, and if necessary, meet with the appellant.

If the findings of the City Manager verify that the Special Tax should be modified or changed, a recommendation to that effect shall be made to the Council, and as appropriate, the Special Tax levy shall be corrected and, if applicable in such case, a credit for next year's Special Tax levy shall be granted. If the City Manager denies the appeal, the taxpayer may file an appeal of that determination with the Council within fourteen (14) days of the mailing of notification of the City Manager's decision; and failure to do so within the time period specified herein constitutes a bar to such an appeal. The Council may hear the appeal, or refer it to a hearing officer pursuant to Chapter 1.24 of the Sacramento City Code. The hearing on the appeal shall be conducted not more than thirty (30) days following the filing of the appeal of the City Manager's determination. The failure of the Council or the appointed hearing officer to timely hear the appeal, or to render a decision within thirty (30) days following the conclusion of the hearing thereon, shall constitute a denial of the appeal. The determination of the Council or hearing officer on the appeal shall be final for all purposes. The filing of a written notice contesting the levy of the Special Tax or an appeal shall not relieve the taxpayer of the obligation to pay the Special Tax when due.

Interpretations may be made by Resolution of the Council for purposes of clarifying any vagueness or ambiguity as it relates to any of the terms or provisions of this Rate and Method of Apportionment.
