

RESOLUTION NO. 2005-839

Adopted by the Sacramento City Council

November 22, 2005

ACCEPTING THE AMENDED PLANNING ISSUES REPORT AS A FRAMEWORK DOCUMENT FOR THE GENERAL PLAN UPDATE (M05-005)

BACKGROUND

- A. On September 27, 2005, the Sacramento City Council accepted the Technical Background Report as a foundation for the General Plan Update.
- B. Building on issues identified in the Technical Background Report, City staff and the General Plan consultant team conducted extensive outreach throughout Sacramento, including thirteen town hall forums as well as interviews and other publicly noticed meetings, in order to identify important issue categories for the Planning Issues Report.
- C. The Planning Issues Report identifies major issue categories to be addressed during the preparation of the City's new General Plan, including the development of the land use alternatives and new goals and policies. These issue categories were identified based on substantial public input plus the work of the City's Technical Advisory Committee and General Plan Policy Team.
- D. Based on the input from the General Plan Advisory Committee at its meeting on September 12, 2005, revisions have been incorporated into the amended Planning Issues Report. Both the Development Oversight Commission and the City Planning Commission also unanimously approved the Planning Issues Report.
- E. Lastly, based on recommendations from the Mayor and City Council, staff has incorporated additional revisions to the Planning Issues Report to address particular issues of concern.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The Planning Issues Report, as amended by Council, identifies key issue categories to be addressed in the General Plan Update.
- Section 2. Furthermore, the Planning Issues Report, as amended by Council, is accepted as a basis for the development of both the General Plan land use alternatives and future policies.
