Chapter 2.12 of the Sacramento City Code gives authority to the City Council to grant citation authority to individual employees. After a job classification is designated by the City Manager as needing citation authority, a resolution granting

citation authority is routinely forwarded to the City Council for approval. It is necessary to update the list of names as personnel changes occur.

Environmental Considerations:

The Development Services Department, Environmental Services Division has reviewed the project and has determined that this project is exempt from the California Environmental Quality Act (CEQA) under Section 15061(b)(1) of the CEQA Guidelines.

Policy Considerations:

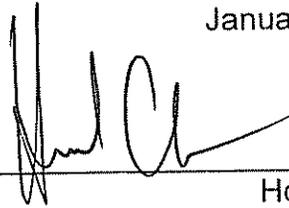

The resolution is consistent with the City's strategic plan and the goal of the City Council to retain, attract and develop a highly qualified and diverse City workforce and implement organizational improvements.
