**Message from the City Clerk
Shirley Concolino**

Effective March 7, 2006

In our continuing search for process improvements we are combining the Afternoon, Evening and Closed Session Agendas into one agenda starting with the meeting of March 7, 2006. The start times for the afternoon and evening meetings will remain the same.

Additionally, the Mayor and Council will convene in open session at the dais, prior to recessing into Closed Session. You will see this noted in the new all-in-one Agenda format. This improved process will require that Closed Session items are read aloud and the public provided an opportunity to comment, prior to Council moving into Closed Session. When Open Session is reconvened the City Attorney will report out if there were any actions taken by Council.

Our goal is transparent government and these improvements will move us one more step in that direction.

The Agenda is published on Thursday afternoon in PDF Format and the Reports will follow by the end of business on Friday.

Thank you for supporting our efforts for innovation and improvement.
