

RESOLUTION NO. 2006-201

Adopted by the Sacramento City Council

March 21, 2006

SUSPEND COMPETITIVE BIDDING, AWARD CONTRACT: PURCHASE OF ONE FRONT-LOADING REFUSE TRUCK

BACKGROUND

- A. The Department of General Services, Fleet Management Division, has an urgent requirement to replace one front-loading refuse truck for use by the Department of Utilities, Solid Waste Division.
- B. Due to the time required to formally bid, award a contract, manufacture, and deliver a new truck, it is recommended to purchase a new front-loading refuse truck that is available from McNeilus Companies, Inc. McNeilus is the only company out of four that provided a quote for a refuse truck available immediately for delivery. Purchasing this available front-loading refuse truck will allow Solid Waste to reduce additional operation and maintenance costs and increased down time on the older unit that is scheduled for replacement.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. It is in the best interest of the City to suspend competitive bidding and competitive bidding is hereby suspended for the purchase of one front-loading refuse truck.
- Section 2. The City Manager is authorized to award a contract to McNeilus Companies Inc., 401 North Pepper Avenue, Colton CA, in the amount of \$190,381 for the purchase of one front-loading refuse truck.

Adopted by the City of Sacramento City Council on March 21, 2006 by the following vote:
