April 25, 2006

Honorable Mayor and
Members of the City Council

Subject: Annexation No. 29 to the Neighborhood Landscaping District - Initiate Proceedings

Location/Council District:

South Sacramento – Sheldon Road and Butterscotch Way, located in Council District 8 (Exhibit "B-1", Page 8)

Recommendation:

Adopt resolutions: 1) to initiate proceedings; 2) to approve Boundary Map and preliminarily approve the Engineer's Report; and 3) of intention to annex territory and levy assessments.

Contact: Ron Wicky, Program Specialist, (916) 808-5628; Mark Griffin, Fiscal Manager, (916) 808-8788

Presenters: N/A

Department: Development Services Department

Division: Public Improvement Financing

Organization No: 4815

Summary:

This report will initiate proceedings to annex the Sheldon Farms Subdivision into the Neighborhood Landscaping District. Adoption of the attached resolutions will set the date, time, and place for a Public Hearing on June 13, 2006.

Committee/Commission Action: None

Background Information:

On July 23, 1991, the City Council approved formation of the Neighborhood Landscaping District, formerly known as the Subdivision Landscaping Maintenance District. This district provides funding for the maintenance of landscaping

improvements, which are located along the frontage or entranceways of residential subdivisions. At the time of formation, the initial district included two subdivisions; since then, 28 subdivisions have been annexed.

This 29th annexation to the Neighborhood Landscaping District will include all residential properties located in the Sheldon Farms Subdivision. Petitions have been received by 100% of the property owners to initiate these proceedings.

Financial Considerations:

This district is self-supporting and has no impact on the General Fund. The estimated budget for FY2006/07 is \$11,330, and the cost to each residential lot will be \$110.00 with the description of maintenance detailed on Exhibit "B", Page 12.

Environmental Considerations:

Under California Environmental Quality Act (CEQA) Guidelines, administration and annual maintenance do not constitute a project and are therefore exempt from review.

Policy Considerations:

The proceedings under which this district is being processed are located in the Landscaping and Lighting Act of 1977, as set forth in Section 22600 of the California Streets and Highways Codes. Annexation into the Neighborhood Landscaping District is consistent with the City's Strategic Plan 3 Year Goal to "achieve sustainability and enhance livability".

Emerging Small Business Development (ESBD):

City Council approval of these proceedings is not affected by City policy related to the ESBD Program.

Respectfully Submitted by: 
Mark Griffin
Fiscal Manager, Development Services Department

Approved: 
Carol Shearly
Director of Planning, Development Services Department

Recommendation Approved:

BACKGROUND

On April 25, 2006, the City Council of the City of Sacramento adopted Resolution No. 2006-_____ (the Resolution of Intention) declaring its intention, under the Landscaping and Lighting Act of 1972 (the 1972 Act), to annex the Sheldon Farms Subdivision to an existing assessment district formally named the Neighborhood Landscaping District. The general location and boundaries of the territory to be annexed are shown in Attachment A-1 to this notice. Among other things, the Resolution of Intention:

- designated the territory proposed for annexation to the assessment district as "Annexation No. 29 to the Neighborhood Landscaping District";
- declared the City Council's intention to order that the maintenance and service of improvements described in Attachment A to this notice be provided; and
- referred to the Engineer's Report prepared by the Development Engineering Manager of the Development Services Department and filed with the City Clerk for detailed information on a proposed annual assessment on property within the annexed territory to pay for the maintenance and service of improvements (the Development Engineering Manager of the Development Services Department was previously designated as the Engineer for purposes of annexing the territory to the district and levying the assessment).

Any interested person may review the Resolution of Intention, the Engineer's Report, and other materials pertinent to the proposed assessment at the City Clerk's office, 915 "I" Street, Historic Building, Sacramento, California.

DATE, TIME, AND PLACE OF PUBLIC HEARING

At 2:00 p.m. on June 13, 2006, the City Council will hold a Public Hearing on the proposed assessment at the City Council's regular meeting place: City Council Chambers, 1st Floor, 915 "I" Street, Sacramento, California.

At the Public Hearing, the City Council will hear all protests against the proposed assessment from record owners of property within the territory to be annexed. The City Council will also accept testimony from all interested persons, whether or not they own property within the territory to be annexed.

THE ASSESSMENT

The proposed assessment will be charged annually to the annexed territory so long as the improvements described in Attachment A require the maintenance and service described in Attachment A. The total amount of the proposed assessment to be charged to the district during fiscal year 2006/2007 will be **\$11,330.00**.

According to the official records of Sacramento County, you own the real property identified by Assessor's Parcel Number in Attachment B to this notice. Attachment B also shows the amount the City Council proposes to assess against your property during fiscal year 2006/2007.

In subsequent years, the assessment amounts shown above may be **increased for inflation at a rate not to exceed 4% a year**. Attachment C to this notice describes the basis on which the amount of the proposed assessment was calculated.

BALLOTS

As required by the California Constitution (article XIID, section 4), an assessment ballot has been enclosed with this notice, along with a self-addressed envelope for returning the ballot to the City Clerk. The owner or owners of any parcel within the annexed territory may use this ballot to express support for or opposition to the proposed assessment. The ballot must be returned by mail to the City Clerk's office (which may be done using the enclosed envelope *but requires the user to provide the required postage*), by personal delivery to the City Clerk's office, or by personal delivery at the Public Hearing. To be valid, the ballot must be received before the close of the Public Hearing. The address of the City Clerk's office is 915 "I" Street, Historic Building, Sacramento, California 95814.

Following the close of the Public Hearing, the City Clerk will open and tabulate all ballots that have been timely received and not rejected. Ballots will be rejected if they are not properly signed, were not timely received at the proper location, or are otherwise defective. The City Clerk will weight the ballots according to the proportional financial obligation of each affected parcel (using the maximum possible assessment for fiscal-year 2006-2007), and the results will be announced. The assessment will be imposed only if the total dollar amount submitted in favor or the assessment exceeds the total dollar amount submitted against it. The City Council may postpone the announcing of results if the City Clerk needs additional time to confirm that a ballot has been properly signed by an owner or an owner's authorized representative.

ASSESSMENT METHODOLOGY

The following briefly describes the proposed method of spreading assessments for Annexation No. 29 to the Neighborhood Landscaping District. The costs incurred by this district will be assessed to each parcel in the district, with the assessment reflecting the proportionate special benefit received from the maintenance provided. This will be done using the following methodology.

1. The cost of maintenance for landscaping, irrigation systems and masonry wall and the cost for contract maintenance and any annexation documents (only if annexed that year) will be spread equally to each residential unit (lot) within their respective subdivision.
2. The cost of all incidental expenses including preparation of the Engineer's Report, district administration, and annual billing expenses, will be spread equally to each residential unit within the district.

ASSESSMENT BALLOT

This ballot is for the use of the property owner of the parcel identified below by assessment-parcel number. The parcel is located within the proposed Annexation No. 29 to City of Sacramento Neighborhood Landscaping District. Please advise the City Clerk as soon as possible at (916) 808-5426 if the name set forth below is incorrect.

To be counted, this ballot must be signed below by an owner of the identified parcel or, if the owner is not an individual, by an authorized representative of the owner. The ballot must then be returned to the City Clerk at the Sacramento Historic City Hall, City of Sacramento, 915 "I" Street, Sacramento, California 95814, either by mail or in person.

Delivery by Mail: Seal the ballot in the envelope provided, affix first-class postage, and place in the mail by Wednesday, June 7, 2006. Mailing later than this time creates a risk that the ballot may not be received in time to be counted.
