**Summary:**

On February 15, 2005, the Sacramento City Council adopted an interim ordinance requiring a special permit for superstores in the City of Sacramento (Ordinance No. 2005-013). The permanent ordinance amending Title 17 of the Sacramento City Code was adopted by the Sacramento City Council on April 18, 2006 (Ordinance No. 2006-027), thereby making the interim "stand alone" ordinance unnecessary. The attached ordinance repeals the interim ordinance adopted by the City Council in 2005.

**Committee/Commission Action:**

On January 5, 2006 the Law and Legislation Committee recommended that the proposed amendments to Title 17 of the City Code related to superstores be reviewed by the Planning Commission and forwarded to City Council. On February 23, 2006, by a vote of seven ayes, one no and one vacant, the Sacramento City Planning Commission voted to recommend approval of the proposed amendments and forward to City Council. On April 18, 2006, by a vote of eight ayes and one abstension, the City Council adopted the ordinance amending Title 17 of the City Code requiring a special permit for superstores.

**Background Information:**

No additional background information.

**Financial Considerations:**

There are no financial considerations associated with this report.

**Environmental Considerations:**

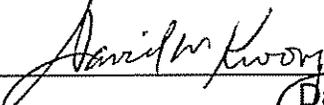

The proposed amendment to the City Code is exempt under CEQA Section 15061(b) (3).

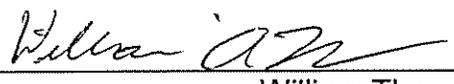

**Policy Considerations:**

The adopted superstore ordinance is consistent with the City's Strategic Plan, three-year goal, to achieve sustainability and livability in the City of Sacramento. The repeal of the interim ordinance will not have an impact on City policy.
