3. P10-089 24th and T Street Residences (Noticed on 7/08/11)	Stephany Fiore	District 4	Support	I own the house directly across the street from the proposed project. I have reviewed the revised proposal based on negotiations between the developer and the appointed neighborhood committee and approve of the project. I feel this has been a hard fight for all parties and compromises have been made on both sides. Now it is time to move forward.	7/19/2011
