### Questions, Ideas and Announcements of Commission Members

**10. Commissioner Yee requested that an informational report be provided to the commission to review current technologies, and information about co-location and satellite towers.**

**11. Commissioner Molander requested that the commission look into how the City notifies the public and how other cities are currently doing similar outreach efforts. Suggesting that perhaps the commission create a subcommittee to do research and review the results to perhaps make suggestions to improve the number of people reached. Commissioner Yee responded that the commission has an item scheduled every six months to review the Commission's Policies and Procedures and he suggested that perhaps this topic be added to the list of concerns that would be reviewed. Including alternatives to what we are doing to reach the owners and the occupants of properties, as well as what we can do to change the process with a detailed discussion of what we can do versus not do in regards to cost and legality.**

12. Commissioner Molander wished to thank Anis Ghobril for reviewing parking and transit issues with her, and she suggested that the commissioners if they have questions that Anis would be a good source of information.
13. Commissioner Contreras asked when the next meeting was, and Commissioner Yee responded that the commission would next be meeting on July 22, 2010.

Adjournment – 7:34 pm
