In response to notification of file number P10-076:  
A Variance for Sacred Heart Parish School sign

We have absolutely no problem with the placement of the SHPS sign as planned and described by Brian Whitmore. We are satisfied with the plan that evolved for that area adjacent to our home, and content with what has been worked out previously for it.

Thank you for notification on the Variance hearing February 10, 2011.  
This response may be forwarded to the Planning Commission.
