Public Comments- Matters Not on the Agenda	Mike Young	District 5	Oppose	Proposed McDonalds Restaurant on Stockton at 2nd Avenue. I respectfully oppose the planned McDonalds. The restaurant will create traffic and noise in our neighborhood. Our area improves with small scale? walkable sites? and I wish to discourage a high-volume automobile-centric national fast food outlet. Sincerely? Mike Young 510-978-0313 cell	4/12/2011
