It's been wonderful to see our neighborhood grow and become a dot on the bar and restaurant map of this great city. I'm very excited at the prospect of having a brewery right here on 24th street. I think it will only add to the great culture of our already amazing neighborhood. Thanks for your consideration? Amy Mahon Oregon Drive.	6/7/2011
6. P11-011 Track 7 Brewing Company (Noticed 5/30/11)	Rita Sudman		Support	I think this is a wonderful addition to the neighborhood. This will be an upscale micro brewery? a place that my neighbors and I in Land Park will appreciate. I've known the business partners for several years and I know they are responsible and will run a dignified business. I'm also impressed that they are very community focused. Our area could benefit from this type of family run small business.	6/7/2011

I think this project will be a good addition to our neighborhood. It will be a place where neighbors can get together and have a beer and visit with one another. The owners are responsible developers and have a good vision for this project.
