Additional Material

Revised Material

Contact Information: Robert W. Williams, 916-808-7686

Project Name: AAA Recycling Services

Subject: Revised Report Information

- ✓ The Proposed Police Condition of Approval (#8) is completely revised as follows:

Police:

8. The business shall only process scrap metal recyclables as an ancillary part of their business operations. They may accept any recyclable materials, including appliances, from walk-in customers unrelated to their other business operations, as long as no compensation is paid for the materials.
