Re: Primo's Supper Club – Letter of Support
3402 Broadway
Project No.: P12-008

Dear Sir/Madam:

I am pleased to submit this letter of support on behalf of the developers of the above referenced project. Specifically, I encourage the Sacramento City Planning Commission to approve a Special Permit to waive parking spaces at the site for a new 78 seat restaurant in the Oak Park Historic District.

As the owner of a building directly across the street on 3rd Avenue, St. HOPE Academy is invested in the neighborhood and has long supported continued revitalization of the community. We firmly believe a new restaurant establishment will bring greater vitality to a neighborhood that continues to improve. Waiving a parking requirement will allow the developers to continue down the path of bringing a once lively cultural district back to its place as one of Sacramento's jewels.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Mills", with a long horizontal flourish extending to the right.
