I submitted a survey regarding the El Camino Auto Sales Special Permit. Unfortunately I will be unable to attend the public hearing at New City Hall, 915 I St Sacramento CA 95814 @ 5:30 14 June 2012.

Our Neighborhood Association has spent years trying to keep our neighborhood safe & crime free. The El Camino Auto Sales presently located just past the Capitol City Freeway overpass has a wrought iron fence around the lot which would indicate the need for security from theft. We do not need the influx of individuals who would come over trying to scout the car lot and our neighborhood for equipment, cars to steal, and houses to break in. I realize the city needs the taxes, but, more reliable businesses should be courted to help improve the neighborhood.
