ASES Program Terms and Conditions

1. All state statutes and regulations applicable to each program under which state funds are made available through this application will be met by the local agency in its administration of each program. The local agency will follow its program plans as specified in the agency application.

2. The local agency will make reports to the state agency as necessary to enable the state agency to perform their duties and will maintain such records and provide access to those records as the state agency deems necessary. The local agency shall maintain such records for at least five years after the completion of the activities for which the funds are used.

3. The local agency shall make any application, evaluation, periodic program plan, or report relating to each program available to parents and other members of the general public. (California Public Records Act, Government Code Section 6250 et seq.)

4. No more than 15 percent of grant monies received shall be used for administrative costs (including indirect costs equal to the lesser of 5 percent of the grant amount or the agency’s California Department of Education [CDE] approved indirect cost rate).

5. Funds must supplement, not supplant existing services. Programs may not use ASES Program funds to pay for existing levels of services.

6. The grantee shall provide matching funds equal to or greater than one-third of the grant award amount; facilities and space usage may be used to fulfill up to 25 percent of the match requirement.

7. State categorical funds for remedial education activities shall not be used to fulfill match requirements.

8. This grant shall be administered in accordance with the provisions of California Education Code (EC) sections 8482-8484 6. Expenditures shall comply with all applicable provisions of state and local rules, regulations, and policies relating to the administration, use, and accounting for public school funds, including, but not limited to, EC.

10. The grantee shall submit attendance reports on a semi-annual basis and expenditure reports on a quarterly basis. Reporting forms can be downloaded from the CDE Web site at http://www.cde.ca.gov/ls/ba/as/asesforms.asp.
