Description Analysis:

**Issue**: Sacramento Community Cable Foundation, Inc. entered into a Lease Agreement, dated November 7, 2002 (City Agreement No. 2002-200) for use of the Sutter Creek, Coulterville, Fiddletown and Mariposa Rooms in the Coloma Community Center located at 4623 T Street. The Lease consists of 3,382 square feet for operation of the Access Sacramento public radio operation and administrative offices. The term of the Lease was for a period of five years, commencing on November 1, 2002 to October 31, 2007, with two five-year extension options, with a lease rate of $.95 per sq. ft. Under the provisions of the First Amendment to the Principal Agreement, the Lease term was extended for the initial five-year option period, to expire on October 31, 2012, and the rental rate was adjusted to $1.10 per sq. ft. to reflect the fair market rental rate at that time.

Sacramento Community Cable Foundation, Inc. has agreed that the current fair market rental rate for the Premises to allow for the exercise of the second five-year renewal option would be at the same $1.10 per sq. ft. rate. The Second Amendment would extend the term of the Lease for five additional years, from November 1, 2012 to October 31, 2017.

Sacramento Community Cable Foundation, Inc. would also like to expand the definition of the “Premises” to add the Rough and Ready Room at 765 sq. ft. The revised size of the Premises would be 4,147 sq. ft.

Staff is recommending the City Council authorize the City Manager or his designee to execute the Second Amendment to the Lease with Sacramento Community Cable Foundation, Inc for the designated portions of the Coloma Community Center at the current rental rate through October 31, 2017.

**Policy Considerations**: This recommendation is consistent with: 1) the provisions of City Code Section 3.68.110E, which stipulates if the City Council finds it is in the best interest of the City, it may lease City-owned property without bidding to a nonprofit tax-exempt community civic organization with a membership comprised predominantly of persons residing in the city; 2) City Council direction to keep community centers and clubhouses open without impacting the City’s General Fund; 3) City Council priorities of preserving and enhancing neighborhoods through strong neighborhood associations and leadership; and 4) Policy 4.1, of the Parks and Recreation Master Plan 2005-2010, 2009 Technical Update, to maximize space/facility utilization, while balancing revenue generation with community use, generally giving preference to City residents.

**Economic Impacts**: None.
Environmental Considerations:

California Environmental Quality Act (CEQA): The leasing of existing public structures or facilities involving negligible or no expansion of use is exempt from the CEQA under the Class 1 Categorical Exemption as defined by the CEQA Guidelines (Title 14 Cal. Code Reg. § 15000 et seq.), Section 15301, “operation of existing public structures or facilities involving no expansion of use.”

Sustainability: Not applicable.

Commission/Committee Action: Not applicable.

Rationale for Recommendation: Sacramento Community Cable Foundation, Inc. has demonstrated its commitment to the community and its ability to operate and manage its public radio operation from within a City facility. The monthly rent will help off-set the building's utility and routine maintenance costs which would otherwise be supported by the General Fund.

Financial Considerations: The Second Amendment of the Lease begins on the November 1, 2012, and expires on October 31, 2017. Lease revenue will be $4,561.70 per month or $54,740.40 annually. The revenues and expenditures have been budgeted for Fiscal Year 2012/13.

Emerging Small Business Development (ESBD): Not applicable.
