Description/Analysis

**Issue:** The owner of 1 Cadillac Drive has been approved to develop a 16,900 square foot commercial retail pharmacy with an accessory drive-through feature (Community Development Department application P12-032). The subject area requested for vacation (abandonment) will help facilitate the project development for the proposed CVS Pharmacy (P12-032), and is a condition of the project.

The abandonment of the public right of way will allow for additional site access, parking and public sidewalks.

**Policy Considerations:** The Council action recommended in this report is consistent with the 2035 General Plan, and is in compliance with California Streets and Highways Code Section 8330-8334.

**Economic Impacts:** None

**Environmental Considerations:**

**California Environmental Quality Act (CEQA):** The Community Development Department, Environmental Planning Services Division has reviewed this project and determined that this vacation is exempt under Section 15305 in which this project consists of minor alteration of land use which does not result in any material changes to land use or density.

**Sustainability Considerations:** None

**Committee/Commission Action:** None

**Rationale for Recommendation:** The areas of vacation are not currently accessible for public vehicular or pedestrian access. As a condition of the project, the majority of abandonment area will be utilized as private access, parking, and access for public utility companies. A small portion of the abandonment area will provide for a public sidewalk within a newly dedicated pedestrian easement. Staff supports this vacation request.

**Financial Considerations:** The applicant is responsible for all fees required to process the application and there is no cost to the City.

**Local Business Enterprise (LBE):** Not applicable.
Background

The project area for the proposed CVS Pharmacy development is located on a 7.34 acre site on the northwest corner of Howe Avenue and Fair Oaks Boulevard at 1 Cadillac Drive (P12-032). As part of this project the owner of this site purchased the adjacent 0.94 acre parcel from the City of Sacramento (Resolution 2014-0379). This request to vacate the public right of way is a condition of the project.

The subject right of way was granted to the County of Sacramento by the The Haggin Bottom Land Co. in Book 109 of Deeds at Page 311 in the Office of the County Recorder, August 7th, 1912. This right of way along with all appurtenances was annexed into the City of Sacramento in 1965 per City Ordinance 2601. The area requested for vacation (abandonment) is an unimproved strip of land which is not accessible by vehicles or pedestrians. The conditions of the approved CVS Pharmacy project (P12-032) require access to the site along Fair Oaks Boulevard with additional improvements for a public sidewalk, an additional public road easement, and a drainage easement for a detention basin. All public improvement requirements are currently being processed with the Department of Public Works with public improvement application (CPC15-0006) and the final map application (FPM15-0005).

This request meets the Streets and Highways Code (S&HC) section 8334(a), (b) in which the subject abandonment area has been established as excess right-of-way and currently lies within one ownership.

Staff has reviewed the vacation request and recommends granting the vacation as stated in the attached Resolution.
