Description/Analysis

**Issue Detail:** On May 13, 2014, Sutter General Hospital (Sutter) and the Sacramento Police Department (SPD) entered into Agreement 2014-0436 to provide security and safety services within the hospital and surrounding area. Sutter and SPD have negotiated a new agreement to continue providing security and safety services through December 31, 2016. To continue with the services requested by Sutter, SPD will maintain the four Full-Time Equivalent (FTE) Police Officer positions. The expenses associated with the salary and benefit costs of the four FTEs will be reimbursed by Sutter, in an amount not to exceed $394,834 through December 31, 2016.

**Policy Considerations:** Sacramento City Code Section 3.04.020, City Council approval is required to enter into an agreement involving income or expenditure of $100,000 or more.

**Economic Impact:** Not applicable.

**Environmental Considerations:** Not applicable.

**California Environmental Quality Act (CEQA):** This proposal does not constitute a “project” and is therefore exempt from the California Environmental Quality Act (CEQA), per CEQA Guidelines, Sections 15061(b)(3) and 15378(a).

**Sustainability Considerations:** Not applicable.

**Commission/Committee Action:** Not applicable.

**Rationale for Recommendation:** The recommendations contained in this report are consistent with the SPD’s goals to Make Sacramento the Safest Big City in California.

**Financial Considerations:** The expenses associated with the salary and benefit costs of the four FTE Police Officer positions will be reimbursed by Sutter General Hospital to the City of Sacramento. In the event the agreement is cancelled, terminated, or not subsequently renewed in the future, the positions will be eliminated. This recommendation will not impact the SPD General Fund operating budget.

**Local Business Enterprise (LBE):** There are no LBE considerations associated with the requested action.

GRANT AWARD AGREEMENT

Sutter Health Sacramento Sierra Region, a California nonprofit public benefit corporation d/b/a Sutter Medical Center, Sacramento ("Hospital") is pleased to announce the grant award of $394,834 ("Grant") to the Sacramento Police Department ("SPD") for the purpose of implementing a neighborhood policing program including police officer presence and patrol as further described herein. Grant funding will be for services during the period from February 1, 2016 to December 31, 2016. Hospital and SPD agree that this Grant will be subject to the following terms and conditions ("Agreement").

The Goal of the Program:

The goal of the program is to develop a comprehensive neighborhood policing program within the area encompassed by 27th Street to 30th Street and J Street to N Street, including police officer presence and patrol within Hospital’s Sutter Medical Center campus located at 2825 Capitol Avenue, Sacramento, CA 95816 (the “Facility”), primarily in its emergency department.

Objectives of the Program:

A. Using a Community Oriented Policing philosophy, SPD will provide law enforcement resources on Hospital’s campus, including police officer presence and patrol within Facility, primarily in its emergency department.

B. In addition, the officers will use Problem Oriented Policing tactics combined with community mobilization to address issues in the broader area encompassed by 27th Street to 30th Street and J Street to N Street, including the following:

2. SPD will assist security staff in providing police services for the Hospital campus and immediate area.
3. SPD will develop working relationships with the Hospital staff, local merchants, and school to assist in developing a local business watch program in concert with the community policing effort.
4. SPD will develop working relationships with the Hospital staff and local residents to assist in developing a local neighborhood watch program in concert with the community policing effort.
Hospital and SPD further agree as follows:

ARTICLE 1
GENERAL OBLIGATIONS OF SPD

1.1 Program. SPD agrees that the neighborhood policing program ("Program") will be consistent with the services set forth in the Goals and Objectives stated above, which are incorporated into this Agreement by this reference, as requested by Hospital. At all times when performing services under the Program, the SPD uniformed officers ("Officers") shall be subject to and required to comply with the rules and regulations of the City of Sacramento Police Department. Notwithstanding the foregoing, Officers performing the Program at the Hospital are expected to remain on the Hospital campus except in the event of an extreme emergency (as determined in SPD's discretion), and must comply, with respect to the use of weapons and/or restraints, with all applicable standards and recommendations of The Joint Commission, applicable federal, state and local laws, rules and regulations, including, but not limited to, Title 22 of the California Code of Regulations and federal CMS guidelines.

1.2 Supplies and Equipment; Employees. SPD shall provide, at its own expense, all equipment, supplies and materials necessary to perform the Program, and Hospital shall provide no supplies and equipment. All Officers used to perform the Program shall be employees of SPD. SPD shall determine the wages, working hours, and other working conditions for such Officers, and shall monitor and control the quality of their work performance.

1.3 Required Hours; Shifts. Consistent with the Goals and Objectives set forth above, the SPD shall provide Officers for two (2) shifts per day totaling nineteen (19) hours of continuous (subject to the lunch and physical fitness time described in this paragraph) on-site coverage from 9:30am – 4:30am each day, seven (7) days a week. The specific hours of coverage may be adjusted as mutually agreed by the parties from time to time. There will be no overlap coverage of shifts (e.g. two (2) officers for day shift). Officers will be afforded thirty (30) minutes of travel time at the beginning and end of each shift (i.e., from 9:00 am – 9:30 am and 4:30 am – 5:00 am) to and from the police station to the Facility for a total of one hour per shift. In addition, for those Officers that voluntarily participate in the SPD physical fitness program, sixty (60) minutes of paid time, two (2) days per week will be allowed in order to engage in on-duty workout time or other approved physical fitness activities. Officers will be allowed a 40 minute lunch break, when feasible, per shift. If Officers leave the premises, the Officer shall advise Hospital’s lead security supervisor and maintain radio contact with Hospital’s security personnel. Should any questions arise over shifts or allocation of Officers to the Facility, the Hospital shall have its administrator contact the SPD sergeant assigned to the Program in an effort to informally resolve any questions. Should the administrator and assigned SPD sergeant be unable to resolve any questions, the parties may resort to the good faith, dispute resolution methods set forth below in Section 5.19, in an effort to resolve any remaining questions.

1.4 Health Screening. SPD shall provide documentation to Hospital to show that all Officers performing the Program for Hospital have received all screenings specified in this paragraph, which screenings shall be provided at the sole expense of SPD:

(i) PPD results (to be completed annually). In the event PPD is positive, a chest x-ray or evidence of symptom review by a health care professional
(ii) Hepatitis B vaccines, or titer, or statement of refusal
(iii) Annual Influenza participation (proof of vaccination or signed declination).

1.5 **Background Investigation/Compliance with Immigration Law.** SPD represents and warrants that it has performed a background investigation of the Officers to verify the Officers' suitability to perform the Program and the ability of the Officers to be employed in the United States.

1.6 **Acknowledgement of Standards.** SPD acknowledges that Hospital is an affiliate of Sutter Health. SPD further acknowledges that, notwithstanding anything contained herein, neither party shall engage in any conduct that may violate any policies, procedures, or directives of the Sutter Health Standards for Business Conduct and Hospital’s Standards of Behavior.

1.7 **OIG List of Excluded Providers.** SPD shall provide documentation to verify that SPD and the Officers are not listed on the General Services Administration’s List of Parties Excluded from Federal Programs (available through the Internet at http://epis.arnet.gov) and the HHS/OIG List of Excluded Individuals/Entities (available through the Internet at http://www.hhs.gov/oig).

1.8 **Bloodborne Pathogens.** SPD shall provide education, vaccinations and post exposure follow-up to the Officers as outlined in OSHA’s Bloodborne Pathogens Standard and Tuberculosis Standard prior to the start of any assignment. Hospital will provide appropriate additional training on both standards specific to Hospital or Facility, if necessary. Hospital will also provide “Fit testing” for protective equipment utilized in care of Tuberculosis patients, as necessary and appropriate in Hospital’s discretion.

**ARTICLE 2**

**GENERAL OBLIGATIONS OF HOSPITAL**

2.1 **Access.** Hospital shall provide SPD with access to the Facility as needed for performance of the Program.

2.2 **Facilities.** Hospital shall retain professional and administrative responsibility for the operation of the Facility, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital’s retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of SPD under this Agreement.

**ARTICLE 3**

**TERM AND TERMINATION**

3.1 **Initial Term.** This Agreement shall commence on February 1, 2016 and shall remain in force until December 31, 2016, unless earlier terminated as provided herein. This Agreement may be renewed upon mutual written agreement of the parties for a one year term. Should this Agreement be terminated before the end of its term, payment for any partial quarter shall be prorated to reflect the number of days in the quarter that services were provided prior to termination.
3.2 Termination.

(a) Without Cause. This Agreement may be terminated without cause, with at least thirty (30) days’ advance written notice from one party to the other.

(b) Termination for Breach. Either party may terminate this Agreement in the event of the other party’s breach of a material provision, covenant or condition of this Agreement and subsequent failure to cure said breach within ten (10) calendar days after written notice by the non-defaulting party of said breach.

(c) Termination on the Advice of Counsel. In the event legal counsel for either party advises that this Agreement or any practices which could be, or are, employed in exercising rights under this Agreement may violate any existing or future law, regulation, or accrediting agency standard, or compromise Hospital’s status as a non-profit corporation under Section 501(c)(3) of the Internal Revenue Code, the parties in good faith will undertake to revise this Agreement to comply with such law, accrediting agency standard, or Internal Revenue Code requirement. In the event the parties are unable to agree upon the revised terms in a timely manner, this Agreement will terminate immediately upon written notice by one party to the other.

(d) Patient Safety. Hospital may, in its sole discretion, immediately terminate or suspend this Agreement at any time if, in its sole discretion, the provision of Program under this Agreement by SPD threatens the health or safety of Hospital’s patients.

ARTICLE 4

4.1 Fees. The total Grant for this Agreement shall be $394,834.

Any changes to the Agreement Fee, as listed in Section 4.1, above, shall not be effective unless and until negotiated in good faith by both Parties, and mutually agreed upon in a written amendment to this Agreement signed by both Parties.

SPD warrants and agrees that it will comply fully with all applicable payroll tax, employment, and labor laws with respect to all Officers assigned to Hospital, including but not limited to, all tax withholding, social security, unemployment insurance, wage-hour, employment discrimination, occupational safety and health, immigration, workplace safety, family and medical leave, and employee benefit laws.

5.4 Indemnity. SPD further agrees to indemnify, defend, and hold harmless Hospital for any and all damages, costs, and/or attorneys’ fees incurred by Hospital, its officers, agents, directors, and employees, or awarded or assessed against Hospital, its officers, agents, directors, employees, in connection with any claim, asserted claim, finding, award or liability resulting from any negligent or intentional act or omission attributable to any officer, agent, director or employee of SPD. It is the intention of the parties that, where comparative fault is determined to have been contributory, principles of comparative fault will be followed and each party shall bear the proportionate cost of any damage attributable to the fault of that party, its officers, agents, directors, and employees.
5.5 **Insurance.** Hospital and SPD both agree to maintain appropriate insurance coverage throughout the term of this Agreement and for a period of five (5) years following expiration or termination of this Agreement. All or a portion of the required insurance may be satisfied through the use of a self-insurance program. With respect to Hospital and SPD, such insurance shall include at a minimum:
