Description/Analysis

Issue Detail: The Sacramento Police Department (SPD) manages a supplemental employment program to provide contracted services to a variety of entities (retail, restaurants, associations, entertainment, etc.). Historically, signature authority for supplemental employment agreements has been delegated by the Chief of Police to the Sergeant, Lieutenant, and Captain of the SPD’s Special Events Unit. Most of the entities have obtained these services on an intermittent, temporary, or seasonal basis with costs averaging less than $100,000 per entity.

The SPD has identified the agreements with Sacramento Basketball Holdings (SBH) and Arden Fair Mall both exceed $100,000 for the fiscal year. Per Sacramento City Code Section 3.04.020, the agreement can only be executed with authorization from the Sacramento City Council. The increase in anticipated reimbursements is due to higher than anticipated requests for security services.

Policy Considerations: The recommendations contained in this report are consistent with Sacramento City Code 3.04.020 which requires City Council approval to enter into an agreement that is equal to or greater than $100,000.

Proposition 26 was passed by the voters on November 2, 2010, amending Article XIII C of the State constitution. According to the ballot measure, the intent of the measure is to ensure the effectiveness of Propositions 13 and 218 by providing a definition of a “tax” for state and local purposes “so that neither the Legislature nor local governments can circumvent these restrictions on increasing taxes by simply defining new or expanded taxes as ‘fees’.” Thus, under Proposition 26, a tax has been defined broadly to include any levy, charge or exaction of any kind imposed by a local government, except for seven specified categories of charges. Moreover, the City bears the burden of proving that a fee or charge is not a tax. The hourly rate is not a “tax” under section 1, subdivision (e2), in Article XIII C of the California Constitution because it is to recuperate the reasonable cost of providing police services to entities that contract with the City. The hourly rates do not recover more than 100% of the SPD’s actual cost of administering the program. No hourly rate waivers are provided, and the SPD’s costs are allocated equally to the entities who contract with the City for police services.

Economic Impacts: None

Environmental Considerations: Not applicable

Sustainability: Not applicable
Commission/Committee Action: Not applicable

Rationale for Recommendation: The SPD considers these agreements to be in the best interest of the City because: 1) it operates in such a way that patrol resources are not adversely impacted under performance of these agreements; 2) local businesses and other entities are able to hold safe, fun events for their patrons; and 3) it is cost neutral with the current hourly reimbursement rates. Government Code section 53069.8(a) permits supplemental law enforcement services to take place at critical facilities on an occasional or ongoing basis. A “critical facility” means any building, structure, or complex that in the event of a disaster, whether natural or manmade, poses a threat to public safety. It is the position of SPD that the Arden Fair Mall and the Golden 1 Center, the sites of the subject agreements, represent critical facilities.

Financial Considerations: In November 2018, the City Council approved Resolution 2018-0446 which authorized the SPD to increase the reimbursement rate to $74 per hour to offset the salary and benefits costs of sworn staff hours billed under the program. The increased rate also allowed the SPD to hire 1.0 Full Time Equivalent Administrative Technician to manage program scheduling and billing activities and offsets some of the SPD’s administrative overhead costs. The SPD will continue to monitor secondary employment revenue budget and actuals and will make any necessary adjustments to the reimbursement rate to remain cost neutral.
